

National Credit Union Administration

§ 715.12

Guide audit intended to fully meet the requirements of § 715.7(c), the engagement letter shall certify that the audit will address the complete scope of that engagement;

(e) *Exclusions from scope.* If the engagement is to perform a *Supervisory Committee Guide* audit which will exclude any item required by the applicable section, the engagement letter shall:

- (1) Identify the excluded items;
- (2) State that, because of the exclusion(s), the resulting audit will not, by itself, fulfill the scope of a supervisory committee audit; and
- (3) Caution that the supervisory committee will remain responsible for fulfilling the scope of a supervisory committee audit with respect to the excluded items.

§ 715.10 Audit report and working paper maintenance and access.

(a) *Audit report.* Upon completion and/or receipt of the written report of a financial statement audit or a supervisory committee audit, the Supervisory Committee must verify that the audit was performed and reported in accordance with the terms of the engagement letter prescribed herein. The Supervisory Committee must submit the report(s) to the board of directors, and provide a summary of the results of the audit to the members of the credit union orally or in writing at the next annual meeting of the credit union. If a member so requests, the Supervisory Committee shall provide the member access to the full audit report. If the National Credit Union Administration ("NCUA") so requests, the Supervisory Committee shall provide NCUA a copy of each of the audit reports it receives or produces.

(b) *Working papers.* The supervisory committee shall be responsible for preparing and maintaining, or making available, a complete set of original working papers supporting each supervisory committee audit. The supervisory committee shall, upon request, provide NCUA staff unconditional access to such working papers, either at the offices of the credit union or at a mutually agreeable location, for purposes of inspecting such working papers.

§ 715.11 Sanctions for failure to comply with this part.

(a) *Sanctions.* Failure of a supervisory committee and/or its independent compensated auditor or other person to comply with the requirements of this section, or the terms of an engagement letter required by this section, is grounds for:

- (1) The regional director to reject the supervisory committee audit and provide a reasonable opportunity to correct deficiencies;
- (2) The regional director to impose the remedies available in § 715.12, provided any of the conditions specified therein is present; and
- (3) The NCUA Board to seek formal administrative sanctions against the supervisory committee and/or its independent, compensated auditor pursuant to section 206(r) of the Federal Credit Union Act, 12 U.S.C. 1786(r).

(b) *State Charters.* In the case of a federally-insured state chartered credit union, NCUA shall provide the state regulator an opportunity to timely impose a remedy satisfactory to NCUA before exercising its authority under § 741.202 of this chapter to impose a sanction permitted under paragraph (a) of this section.

§ 715.12 Statutory audit remedies for Federal credit unions.

(a) *Audit by alternative licensed person.* The NCUA Board may compel a federal credit union to obtain a supervisory committee audit which meets the minimum requirements of § 715.5 or § 715.7, and which is performed by an independent person who is licensed by the State or jurisdiction in which the credit union is principally located, for any fiscal year in which any of the following three conditions is present:

- (1) The Supervisory Committee has not obtained an annual financial statement audit or performed a supervisory committee audit; or
- (2) The Supervisory Committee has obtained a financial statement audit or performed a supervisory committee audit which does not meet the requirements of part 715 including those in § 715.8.
- (3) The credit union has experienced serious and persistent recordkeeping

Pt. 716

deficiencies as defined in paragraph (c) of this section.

(b) *Financial statement audit required.* The NCUA Board may compel a federal credit union to obtain a financial statement audit performed in accordance with GAAS by an independent person who is licensed by the State or jurisdiction in which the credit union is principally located (even if such audit is not required by §715.5), for any fiscal year in which the credit union has experienced serious and persistent recordkeeping deficiencies as defined in paragraph (c) of this section. The objective of a financial statement audit performed under this paragraph is to reconstruct the records of the credit union sufficient to allow an unqualified or, if necessary, a qualified opinion on the credit union's financial statements. An adverse opinion or disclaimer of opinion should be the exception rather than the norm.

(c) *“Serious and persistent record-keeping deficiencies.”* A record-keeping deficiency is “serious” if the NCUA Board reasonably believes that the board of directors and management of the credit union have not timely met financial reporting objectives and established practices and procedures sufficient to safeguard members' assets. A serious recordkeeping deficiency is “persistent” when it continues beyond a usual, expected or reasonable period of time.
